German Delegates Sign Agreement to Demands Fifteen Minutes Before Ultimatum Expired.

Threat to Occupy More German Territory Has Prompt Results In Bringing Germany to Time

Vigorous Protest is Made Against Meeting Demands Of Allies.

Threaten to Discontinue The Spa Conference

(By Associated Press)

Spa, Belgium, July 9.—Germany's delegates signed at 11:45 o'clock this morning an agreement accepting the terms of the allied note, relative to disarmament, presented yesterday.

This action was taken under the protest by the German representatives. The allied note, which amounted virtually to an ultimatum, demanded that the Germans accept the terms presented by noon today, and stipulated that in the event of failure to carry out the provisions of the demands allied forces would occupy parts of Germany.

The Germans protested, in signing, that the treaty of Versailles did not oblige them to acquiesce in further territorial occupation except for failure to fulfill the treaty terms regarding reparations.

A unanimous decision also was taken by the Cabinet that the Allies should be informed that Germany could not accept these stipulations concerning possible occupation of the Ruhr and other territories provided the disarmament was not executed according to the allies' judgment.

It was held the German Cabinet was precluded by constitutional reasons from entering into any such arrangement without the authority of Parliament.

Hence, the allies were requested to strike this paragraph from their demand, it being said that otherwise the Germans might not be able to continue the conference.

FINAL WORD

The final decision of the allies set forth that Germany must:

First—Immediately disarm certain of its forces including the security police.

Second—Publish a proclamation asking for the immediate surrender of all weapons and firearms in the hands of the civilian population.

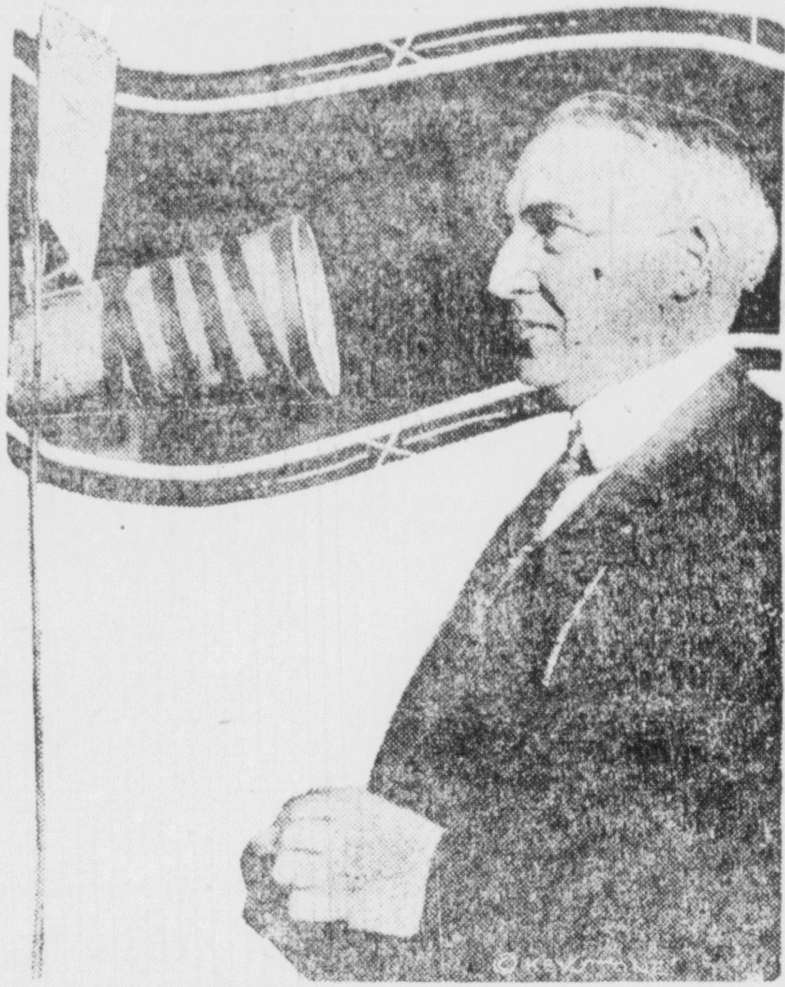

Third—Abolish immediately compulsory service.

Fourth—Surrender to the allies all arms, guns and cannon, which it possesses above the limit fixed by the treaty of Versailles.

The allied decision concerning disarmament reads:

"If on October 1 the German army is not reduced to 150,000 men, the allies will proceed to occupy German territory in the Ruhr or any other part of German territory and will not evacuate it until all the conditions of the present agreement have been fulfilled."

He said, however, that it was probable there would be an eastern and western headquarters.

(By Associated Press)

Philadelphia, July 9.—Cries of "murder" attracted policemen to the city hall plaza early today. They found a woman in an altercation with a man she said was her husband, Jack Welch, of New York.

She denounced him as the murderer of a man in the New York subway. The police of that city confirmed the woman's story and asked that the man be held.

The woman, an actress, said her husband, who served 25 months overseas as a sergeant in the American army, shot an officer in France and also shot a negro in the South.

She said he was gassed and shell shocked. He had recently been discharged from service and still wore his uniform.

(By Associated Press)

Columbus, O., July 9.—The Ohio supreme court today issued a writ of mandamus directing Secretary of State Harvey C. Smith to appear before the court July 15th to show why the name of Harry Clay Smith, negro editor of Cleveland, should not have his name printed on the republican ticket in the August primaries as a candidate for secretary of state.

Smith was ruled off the ballot on the grounds of alleged collusion in attempts to confuse the voters by entering several candidates of the same name.

It was pointed out at the Secretary of State's office today that all ballots will have been printed in every county before July 15th and that it is now too late for any change.

NEW ORDER TO END CAR SHORTAGE

Proposals Made Would Permit Shipping of Needed Supplies As Well As Coal.

Food, Fuel, Clothing, Shelter And Highway Order Suggested.

(By Associated Press)

Washington, July 9.—New emergency orders to relieve car shortages were proposed to the Interstate Commerce Commission today by glass manufacturers, industrial sand producers and highway contractors and others as substitutes for the commission's order requiring that preference be given coal mines east of the Mississippi in the assignment of open top cars.

In general the shippers proposed distribution of the cars according to the industry's ability to ship; increase of demurrage charges; complete embargo on export coal or its movement only on permit and prohibition of coal shipments on open order.

In event of failure of these proposals to relieve the situation the shippers propose that priority in service be given shipments of essentials listed in the order: food, fuel, clothing, shelter and highway.

Proposed Amendment Will Not Be Placed Before Voters.

Mr. Groesbeck cited the fourteenth amendment to the federal constitution as prohibiting the state from abridging the privileges and immunities of citizens, adding that while the state has the undoubted right to regulate private schools, it cannot go as far as absolutely to prohibit them or prevent those who desire from attending them.

Farm organizations are now making a survey to determine how many cars are needed and how many will be available.

SMALL TRACT RICH IN INDIAN RELICS COLLECTION MADE

Probably no other small tract of land in Fayette county is as rich in Indian relics as the small farm owned by L. M. Maag, opposite St. Colmans' cemetery on Elm street.

For years Mr. Maag has gathered up numbers of arrow heads, spear points and numerous other implements of the stone age until he has a splendid collection of these mementoes of a bygone age.

Recently he picked up an arrow point a large pestle, a section of flint and a metal ring. However he is uncertain as to whether the ring was made by the Indians or represents the handiwork of a more modern age.

As the tract is located on an eminence overlooking Paint creek valley it is believed it was used as an Indian village, that excavations on the place would disclose numbers of Indian skeletons interred hundreds of years ago.

TEARING AWAY AN OLD CHURCH BUILT IN 1845

Old Methodist Church Used
In This City Before
Union Was Organized.

Was Used in 1861 As Bar-
racks When Co. A, 54th
Infantry Was Organized
Under Captain Yeoman.

At the back of the Dr. G. S. Hodson lot on the corner of Market and North streets there is being dismantled the old Methodist Church that was used in this city while the local pastorate was still on a circuit and before there were members in the community to make it possible to form a union which was able to boost a pastor that could be claimed for the Washington Court House church alone.

For the past eighteen years it has been used as a barn and garage by Dr. Hodson who moved it from the front of the lot where it had been transformed into a dwelling house after being abandoned as a place of worship when a new church was built in 1866. The old church was built in 1845 it is shown by the records, on the site now occupied by the Hodson Hospital, and was used until 1866 when a new church was erected at a cost of \$14,000, a very large sum in those days. When the new church was built the membership of the Methodists numbered 167 and a union was constituted with Rev. Thomas N. Phillips first pastor.

Had Many Pastors.

During the 26 years that the old frame building was used there was an endless array of ministers on the circuit which included this city and with two pastors a year and these changing each season the congregation had hardly time to get acquainted before a new face appeared in the pulpit.

The men whose names are on the records during that 26 years are as follows: John W. Keeley and V. Bee-mer, 1846; J. B. Austin and Arch-

ibald Flemming, 1847; T. W. Chandler and S. Haines, 1849; Samuel Brown and M. S. Baker, 1850; M. S. Baker, S. Middleton, and J. C. Reed, 1851; Bar- ton Low and William Sutton, 1853; Moses T. Bowman and William Sutton, 1854; I. P. Morris and J. T. P. Williams, 1855-6.

Here the records skip a few years and Henry T. Magill is listed 1860-1; Isaac Cook, 1862; E. H. Dixon 1862 to 1864; E. P. Hall, 1865-66.

Used As Barracks

During the first months of the Civil War the Church figured prominently by being used as a barracks for a few days during the first of September 1861.

When Company A, 54th Ohio Infantry was organized in this city and the young volunteers were gathering in preparation for their trip to Camp Dennison the soldiers were quartered in the church and the benches were used for cots.

Structure Is Hand Made

Carpenters tearing down the old church find that its beams are made of finest oak and that they were hewed out by hand from the great trees that then surrounded this city. They are as strong and solid as the day they were placed in position and show not the least deterioration.

Dr. Hodson plans to remove the timbers to his farm and to use them in building a large shed.

When the former church is razed it will be supplanted by a stucco garage which will be modern in every way. During the past few days many of the old timers have visited the site and have gazed reminiscently at the old timbers.

FUNERAL SERVICES OF OLD GARDENER

The funeral services of Mr. Karl Schmidt, well known truck gardener of this community for many decades, were conducted by Rev. William Boynton Gage at the home northwest of town Thursday afternoon and were largely attended.

The Men's Brotherhood Class of the First Presbyterian Sunday school, of which Mr. Schmidt had been a faithful member, was fully represented.

A quartet, Mrs. William Vail, of Niles, O., Mrs. Ernest Harvey, Messrs. J. W. Rothrock and Rankin Paul, opened the service by singing Luther's hymn, "A Mighty Fortress" and closed with "Asleep in Jesus."

Rev. Gage made a heartsome talk, referring to the early home life and the later establishing of the home, forty years ago, in this community. Born in the Alsace and Lorraine section, Karl Schmidt entered the German army at the age of twenty years and at the expiration of his service came to this country to find his present wife, Rosina, who had crossed the ocean to make her home with an aunt in this city. There was quite a bit of romance in the search made by the stalwart young German for the girl he loved, but he found her and with her made a happy home.

His national heritage and the fact that his sons were enlisted in the U. S. Army during the late war, while his brothers and sisters were in the old country, made the world war period difficult for Karl Schmidt. He was

the last of Fayette county's old time gardeners.

The committal service was held in the Washington cemetery—the pall-bearers, Messrs. Frank M. Fullerton, John A. Sheppard, Elmer Zimmerman, O. K. Probasco, N. S. Barnett, A. J. Walker.

There was a profusion of beautiful flowers, included with a magnolia wreath and flowers from the family and a basket from the grandchildren were special designs from the Brotherhood Class, Mrs. Hale's Bible class, Philathea class, Charlotte Tuttle Sisterhood of the First Presbyterian Church; Boston Store of Springfield; Eagle Lodge; Junior Lodge and Sunlight Creameries.

Mrs. Rose Steele of Springfield, a daughter, Mr. Ben Schmidt of Mineral City, a son, Mr. and Mrs. Henry Snider of Newport, Ky., Mr. David Hiegle, brother of Mrs. Schmidt, son Fred and daughter Flora, Mrs. Kate Hiegle and family, Mr. and Mrs. Neff of Columbus were among those here for the funeral.

CARD OF THANKS

We desire to thank all our friends and neighbors for their kind assistance and sympathy in our recent bereavement, and for the beautiful flowers; also Rev. Gage and Undertaker McCoy for their services.

William Jennings Bryan

What will be Mr. Bryan's position in the future in councils of the great political party he has so completely dominated during the last quarter of a century.

He was decisively defeated on every proposition he supported at San Francisco. The convention heard him respectfully, applauded his splendid speeches generously and paid tribute in tremendous ovations to the man and the old leader, but voted against him.

There have been many obituaries written for Bryan following his last defeat but those who pen the obituaries are not the first to announce Mr. Bryan's political death. That has been a quadrennial task, or pleasure, depending on the affiliations of the writers, for the last twenty-four years. But Mr. Bryan has refused to stay dead politically. He has always come again.

Will he do so once more or has his political sun slipped down behind the horizon to rise no more.

Mr. Bryan is older now. He hasn't the physical strength he once had. His troubles and his disappointments have multiplied and accumulated. The splendid spirit may be a little weaker, and the ambitions not so gripping as they once were. Mr. Bryan has seen many of his ambitions realized, many of the reforms he advocated so ably have become a part of the law of land—other ambitions have proven impossible of attainment. He has been a wonderfully useful man, he has done great things, he has been in the thick of the fighting for years and has always fought a good fight for what he believed right. No one has ever challenged his honesty, his sincerity or his matchless ability as an advocate and whether he again assumes the sceptre of control or not he has had a political career full of honor, accomplishment and reward.

American political history must accord Mr. Bryan a place second to no man of the present age.

Hobson's Kind

Mr. Hobson, like many other dry leaders, sees his job slipping away from him unless the agitation on the wet and dry issue can be kept up. His message to Governor Cox is designed to keep up the agitation necessary to hold him in a job.

He asks Governor Cox to issue a "strong statement" opposing any effort by Congress to modify the Volstead act. Hobson would have Governor Cox so act that the nation would be furnished with a fine sample of just what has deadlocked the national government during the last year—the executive promising to "run" the legislative branch.

We want executives in nation and state to keep hands off the law-making powers. Their duty is to enforce the law as enacted, not to order such laws as please their fancy enacted.

It is the people who should order Congress what to do in the way of making new laws or modifying old laws.

But Hobson and his kind care nothing for the principles underlying and safeguarding the co-ordinate branches of the government. They want a job.

POETRY FOR TODAY

RAINS IN FLANDERS

'Tis sweet to lie and listen to the rain
Swish through the street.
A thousand thousand leaves—
Wake like a harp beneath the swift,
sure touch,
The silver fingers of the falling rain.
How like a song it sounds,
Some high sweet litany,
With notes unnumbered as the endless leaves!
A thousand tones stirred from a thousand strings,
All blended in the singing of the rain.
Ah, after the wild thunder and the storm,
The burst of lightning and the forked flame,
The roaring torrent and the crashing sky,
'Tis sweet to lie and listen to the rain!

How strangely near seems boyhood's far-off day.
Now that I lie here dead, a nation's man
Full grown.
How strangely real comes back the boy I was,
How closely press his old forgotten dreams!
Can you not see him leave the rain-drenched world
To vanish up the musty attic stairs?
There, sprawled for hours upon the dusty floor,
He filled his soul with old forgotten tales,
Old lore of bloody combat, stirring deeds
Of knights who fought the monsters of the world.
At last the endless music of the rain
Falling upon the roof—a magic song.
Swept all his senses like a pleasant drug,
Till, with his head soft-pillowed on his arm,
He slept—forgetting all the tales of blood.
Even so I rest it now upon my arm,
Giving myself to pleasant dreams—with all
The bloody strife forgot.
So sweet it is
To lie and listen to the falling rain!

BACKED OUT FROM SELLING HIS FARM

Greene County farmer and orchard man changed his mind after he got able to do the work he had given up a year ago.

Stomach, bowels, kidneys and liver had him discouraged. He took Drecto, the great medicine and feels like himself again.

"I often said I would give half my farm if I could only get some medicine that would get my stomach, bowels and kidneys right again," said Mr. Wallace Berryhill, the prosperous farmer of Bellbrook, Greene Co., O.

"Years ago I visited down in Alabama and got ptomaine poison from eating sea crabs and was years getting better, in fact I didn't really improve fast till I got some of this Drecto. I feel so much better than I can hardly realize now that I had suffered for so long. All the pain and nausea in my stomach is gone; also that lump in my throat and my stomach is flat instead of being bloated with gas. I am gaining in solid flesh; sleep all night long and don't have to get up one time with my kidneys. My nerves are under wonderful control and not many men of my age have the steady hand that I have. My bowels act regular every morning which makes me feel good all day.

Drecto is great to build up waning strength, for I am doing work on my place that I gave up last year as beyond me. In fact I had concluded to sell our farm and retire and was about to close the deal when I began taking Drecto and today I don't want to sell, for I am able to conduct my affairs as usual and I credit Drecto with all of this."

Drecto is sold by all progressive druggists throughout the country and is highly recommended in Washington, C. H. by Frank Christopher. —Advt.

It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. CEREUS GIVES BLOOM IN GROCERY WINDOW

Many people stopped Thursday night in front of the Duffee Grocery and watched the buds of a large Night-Blooming Cereus burst into bloom. Three large flowers were produced and arrayed the plant in all its glory until the first rays of the sun Friday morning.

HOOPLA! CIRCUS DAY ALMOST HERE

The world's two most famous circuses now merged into one and headed this way and will exhibit at Springfield, Saturday, July 24.

A great many in this locality are planning to attend. The very name of the great new circus—Ringling Brothers and Barnum & Bailey Combined—has been sufficient to arouse far

more interest than has ever before been shown in the coming of any amusement enterprise. And word from the Ringling Brothers, who are the directors of this gigantic circus, is to the effect that those who attend the performances will witness the greatest program ever presented in America. This is likewise true of the mammoth street parade, which will positively take place showday morning, the mammoth menageries and all else connected with this biggest of all amusement institutions. The famous showmen have made a complete survey of both the great circuses and merged the finest and best of each into one. Hundreds upon hundreds of performers will appear in the gigantic main tent. There will be scores upon scores of the clever dumb actors. A gorgeous costumed pageant of stupendous size will open the program. Great companies of characters, representing the best-loved stories of fable and nursery lore will appear. There will be splendid and many groups of beautiful horses in jeweled trappings. The army of clowns exceed all past records for fun and numbers. All contribute to the biggest circus in history.

The circus will be in Columbus, Thursday, July 22.

Tomorrow is the last discount day for gas and electric light bills.

A Liver With 80 H. P.

Well maybe there is no such animal, but your liver in proper condition will show as much power for good health. An 80 H. P. engine can't show results when all clogged up and half racked to pieces.

The liver does not ache, nor growl nor cramp, but when it needs attention, your tongue, your eyes, your brain, your whole body knows it.

The very first warning indicates you need a Blacko Stomach and Liver Tablet. It will give immediate, pleasing and genuine corrective results. Blacko Tablets are an old time family physician's remedy—the more you take the less you need. And they are not habit-forming.

DOUBLE FLAG PRESENTATION MEMORABLE ONE

Paul H. Hughey Post Receives Beautiful Silk Banners From W. R. C. and Mother of Lieut. Hughey.

Charming Program Presented Prior to Presentation In Presence of Large Audience.

Of rare effectiveness, and symbolic of the pure spirit of Americanism the flag presentation honoring the American Legion, Paul H. Hughey Post No. 25 at Memorial Hall Thursday evening reflected credit up on the noble work of the Women's Relief Corps and the spirit of patriotism shown by Mrs. Mada Hughey, mother of Paul H. Hughey in giving to the Post the official standard.

Presentation of a large silk American Flag was made to the Post by Mrs. F. G. Carpenter on behalf of the Women's Relief Corps and she was also entrusted with the honor of presenting the American Legion Standard to the Post on behalf of Mrs. Hughey.

In presenting the flag and the standard Mrs. Carpenter most beautifully paid deep tribute to Lieutenant Paul H. Hughey, speaking as a mother whose son had returned and for a mother whose son had not returned. She gave a short account of the manner in which Lieutenant Hughey, as an aviator in the flying forces of the United States, had met death while flying over the enemy's lines and how when he passed over that line he had also passed over the line from which there is no returning.

Response and acknowledgement of the magnificent gifts to the Legion was made by Adjutant of the Hughey Post, Ray D. Post, who with well chosen words expressed the heartfelt thanks of the Legion membership.

Upon requests of Mrs. F. G. Carpenter the officers of the patriotic organizations of the city had been seated upon the platform during the ceremony and in turn were called on for a few words of greeting to the American Legion, the newest addition to these organized bodies.

Commander I. N. Rowe of the R. H. Millikan Post of G. A. R. detailed Comrade Frank Allen for the reply and Mr. Allen had great expression for the service and the patriotic spirit shown. He brought his talk to a dramatic close by reciting a few select lines of poetry while he touched the beautiful silken folds of the colors.

Mrs. D. H. Rowe, Regent of the D. A. R., as spokesman for her affiliated patriotic organization, gave welcome to the American Legion and pledged full support of the D. A. R. to the Paul Hughey Post.

Mrs. Emma Hoppes, President, represented the W. R. C.

Mrs. Mary Millikan, President of the Ladies of the G. A. R. arose at the call and gave her word of welcome to the Legion but said that she left it to the others to express the beautiful sentiment of the occasion.

Chairman of the Fayette County Red Cross Chapter, Mr. T. H. Craig voiced the aid and assistance of the Red Cross to the soldiers of World War and said that the Red Cross was ever ready and willing to lend a helping hand. He welcomed the members of the Legion and expressed the hope that not one of the former service men of the World War would hesitate to adhere to its policies and that not one would fail to join the organization.

Major Reil G. Allen, Commander of Paul H. Hughey Post was asked for a few words. He thanked the Women's Relief Corps and Mrs. Hughey for the gifts and said that they would be lasting and treasured emblems for the post.

Preceding the presentation a patriotic and extremely clever program was carried out and brought forth fervent expression of admiration for the talent displayed and for the work that was so evident in bringing it together. The program opened with a violin solo by Miss Gwendolyn Wolfe accompanied by Miss Ethel Powell at the piano which was followed by a well rendered recitation by Little Virginia Garrett, "A Soldier's Wish."

Billy McFadden gave "Yankee Doodle Dandy" which he illustrated with a small American flag. Another recitation was well rendered by Miss Mary Alice Davis and Miss Hester Brown showed careful preparation in "Old Flag."

Politics formed the issue in a clever dialogue by Mary Katherine Junk and Virginia Garrett, entitled "The Bugaboo." The Red, White, and Blue drill portrayed by five little girls with Mrs. Herbert Chapman at the piano was very effective. The girls taking

part were Little Misses McClue Wheel play, Sheppherd, Huchison and Mitchener.

Rare entertainment was afforded by Miss Helen Durant in "Her First Recitation" a monologue requiring no little skill and talent but in which Miss Durant was equal to the occasion and gave the parts in perfect manner. A pantomime, "The Star Spangled

Banner" was given by three girls, Miss Mary Durant taking the pantomime part, Miss Jessie Sunkle the vocal, and Miss Helen Durant at the piano.

The program closed with the audience singing "America", Mrs. Herbert Chapman at the piano.

Mrs. F. G. Carpenter as patriotic instructor, had the program in charge.

WAR ON VIOLATORS IS AT ITS HEIGHT

War on those who violate the traffic ordinances by failing to comply with the laws regarding proper lighting in automobiles, is still being waged by the police and it is nothing unusual for twelve or fifteen persons to face Mayor V. J. Dahl in one evening and draw the costs or a lecture as the gravity of the case may warrant.

"We have had about forty autoists up for light violations," said the Mayor Thursday evening, "and there are about two hundred others we are going to have up," he continued, "unless they obey the law."

The only way to keep from facing the Mayor is to comply with the traffic regulations and see that the proper illumination is used in the right place and at the right time, it is stated.

ROAD IMPROVEMENTS FOR BLOOMINGBURG

Main street in Bloomingburg is being improved by grading and oiling and during the past few days the street has been completely worked over and smoothed with the county roller. The expense of grading and oiling is borne by the county while the village is accountable for the oiling.

Action taken by the County Commissioners has also resulted in the improvement of the Devalon road from the bridge into Bloomingburg and more than a quarter of a mile of the highway has been graded and rolled recently.

The improvement of this stretch of road is meeting with the fullest approval of traffic which has long endured the long procession of ruts and holes just outside and through Bloomingburg.

DATE IS DECIDED FOR THE NEXT NIGHT

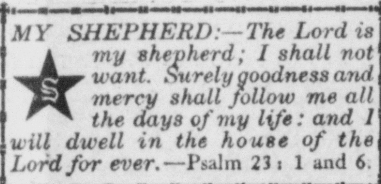

Wednesday evening, July 21st, is the date set by Promotor Smith for the handicap wrestling match between Tom Hillery of this city and Paul Bowser of Newark. The match was arranged upon a challenge of Hillery to meet the winner of the Bowser-Henderson bout and Bowser has agreed to throw Hillery twice in sixty minutes while all the local boy has to do is to remain in ring and he is the winner. Many of the local ring enthusiasts are of the opinion that the middleweight champ will not be able to turn the trick in the allotted time while Bowser's boosters claim an easy decision for the Newark grappler.

Instead of holding the bout at Sunnyside Baseball Park, as was the case in the last match, the promotor has arranged for the Armory on Court street, and the bout will take place on the accustomed platform.

NAMED TREASURER FOR BLOOMINGBURG

At a recent meeting of the Village Council of Bloomingburg W. Q. Kinkead was appointed Village Treasurer to fill the vacancy left by the death of W. T. Elliot. Mr. Elliot was serving on his fourth term.
